

For Immediate Release

## **A Remarkable Accomplishment! MCAHN McMaster University Student Chapter Announced as Top 4 Finalist at MCA America Competition** *“Go Team Hamilton Niagara – Contact Our Team to Inspire, Encourage & Prepare”*

(January 22, 2019 Southern Ontario, Canada) The MCAHN McMaster University Student Chapter, as the only Canadian student chapter team participating in the MCA America competition is proud to announce they are a finalist, and a contender for the coveted top prize! Their Canada company “Moose Mechanical” produced an impressive proposal bid, a renovation and addition to the football stadium at Indiana University. The top four teams will present their proposals at MCA America Annual Convention held March 3-7 in Phoenix, Arizona.

**Meet Our Business Savvy Team & Email Words of Encouragement!** From left to right: Marisa Caluori, Keara Guay, Carmen Bracho, Eva Bracho, Philip Reinders, David DeVisser

It's a team approach, as we recognize Dr. Stephen C. Veldhuis Ph.D., P.Eng. our faculty liaison for his leadership, McMaster University Committee Chairman Kyle Getty for his guidance along with committee members/volunteers, Mark Blasco, Jason Campbell, Gary Matthew, Brad Saplywy, Claudia Mamros, Mike DiLallo, Wanda Heimbecker and the continued support of the MCAHN membership and board of directors.

The chapter serves as a mechanism for employer management recruitment and succession planning within our mechanical contracting industry. We are attracting the best and brightest! *Bragging rights, the MCAHN McMaster University Student Chapter is as a past competition winner and has placed several times as a Top 10 contender...*
