MCA Hamilton and MCA Niagara Sign New JATC Trust Agreement
“Work Readiness Training Fund & Working From Heights”

MCAH Award Recipient
“Bay Area Science & Engineering Fair”

Are You Working From Heights Ready?

Resulting from the UA Local 666 and 67 zone amalgamation, we are pleased to announce the Joint Apprenticeship Training Committee’s updated Trust Agreement now reflects this change including several administrative updates as zone contractors unite. The **Work Ready Training Fund** is available to cover the training costs of all UA members i.e. WHMIS, Work Safety Awareness & Working From Heights (April 1, 2017 deadline). If your company has records for employees who have taken this training, the JATC needs copies of your employee training records to update UA Local 67 member files. **Contact Valerie Vanderwyk, JATC Executive Assistant**

Congratulations to MCAH Youth Engineering Award Winner Alex Massa!

As a junior engineering student attending Our Lady of Fatima, Alex created a Salt Desalination System as hundreds of young inspiring area students competed for several coveted awards. Past President and Honourary Life Member, Ron Marcotte kindly represented your association as an event judge at the Bay Area Science and Engineering Fair held at Mohawk College.

Schedule Employee Training Sessions! December 2016 Training Dates are enclosed, with a request from your JATC to circulate this request to your Human Resource Department and Management Teams to schedule employee training sessions before the deadline. [December WFH Training Dates](#)

MCAH Membership Brand Plans 2016 Year End & 2017
